urban expansion areas, or with rapidly increasing land values, and existing use of adjacent lands would be jeopardized by sale under competitive bidding procedures.

(iii) Direct sale as provided in §2711.3-3 of this title may be used when the lands offered for sale are completely surrounded by lands in one ownership with no public access, or where the lands are needed by State or local governments or non-profit corporations, or where necessary to protect existing equities in the lands or resolve inadvertent unauthorized use or occupancy of said lands.

(4) When lands have been offered for sale by one method of sale and the lands remain unsold, then the lands may be reoffered by another method of sale.

(5) In no case shall lands be sold for less than fair market value.

(d) Sales of public lands determined to be chiefly valuable for agriculture shall be no larger than necessary to support a family-sized farm.

(e) The sale of family-sized farm units, at any given sale, shall be limited to one unit per bidder and one unit per family. The limit of one unit per family is not to be construed as limiting children eighteen years or older from bidding in their own right.

(f) Sales under this part shall not be made at less than fair market value. Such value is to be determined by an appraisal performed by a Federal or independent appraiser, as determined by the authorized officer, using the principles contained in the *Uniform Appraisal Standards for Federal Land Acquisitions*. The value of authorized improvements owned by anyone other than the United States upon lands being sold shall not be included in the determination of fair market value. Technical review and approval for conformance with appraisal standards shall be conducted by the authorized officer.

(g) Constraint and discretion shall be used with regard to the terms, covenants, conditions and reservations authorized by section 208 of the Act that are to be in sales patents and other conveyance documents, except where inclusion of such provisions is required

by law or for protection of valid existing rights.
